*Attendance this year was affected by the weather. Fortunately, we no longer offer a lunch option which means the food we order is going to be consumed by the legislators anyway. As a member of TEAM VT, I find it extremely beneficial to both TEAM VT and CTSOs to join forces in celebrating Vermont Entrepreneurship Week with the CTSO breakfast beginning the day's activities. Students then attended the event at The Pavilion Theater where Governor Scott addressed the attendees and then a few young VT Entrepreneurs gave their insight as entrepreneurs. Bumper Sticker and PSA contest winners were recognized.
