

SkillsUSA Vermont Program of Work

2019-2020

Increased Membership:

Vermont currently is accessing about 25% of potential membership by having 13 active chapters: 12 secondary and 1 post-secondary.

We will:

- Have a SkillsUSA chapter in all 19 CTE centers in Vermont
- Encourage advisors and teachers to speak with their younger students
- Growth in post-secondary

NLSC 2019

Vermont Fall Leadership Conference on November 22nd

Make the 2019 Fall Leadership Conference successful and fun but with a purpose.

- Organization prior to and during the conference
- Leadership Team
- Communication to plan event
- Meetings to come up with and implement breakout sessions
- Transition into a new conference location to better use a large facility for a more successful conference (VTC)

Company and Business Outreach

We strive to create a viable relationship with both small locally owned businesses, and more prominent national businesses within Vermont to implement a system in which outreach is possible.

- Build bridges with Vermont-based companies.
 - Personally visit businesses within Vermont.
- Reach out to companies with hopes of an increase on sponsors and vendors.
 - Implement meetings and conferences with intrigued businesses.
- Increase communication and updates with Businesses.
 - Create a Web-based relationship for communication with companies in which we have created a relationship with.

Strong Statewide Delegation

Building a Strong Statewide Delegation Through Member Involvement

- Come together as a statewide organization to do community service projects
- An event/celebration before the SkillsUSA Championships in June that recognizes all participants
- Planned event in which each Technical School participates

Community Involvement

SkillsUSA Vermont Sponsored Charity/Community Service Events:

- SkillsUSA Service Week
 - Each Chapter completes their own service project
- Vermont in a Day Event
 - Drive to each CTE center in one day to pick up toys, books, and/or food
- SkillsUSA Vermont Penguin Plunge
 - Creation of SkillsUSA Vermont Penguin Plunge Team

Better Communication and Team Building with State Leadership Teams :

Goal: To strengthen trust, communication, and self advocating in our leadership groups.

Team building: Through fun, engaging activities.

- Strengthening trust.
- Clearer understanding of our purpose.
- Using everyone's strengths for self improvement.

Communication: Gain trust and deepen relationships.

- Each team member's voice is heard and valued.
- State the problem and work together to solve.
- Look for areas for agreements.
- Get constructive feedback to improve personal, professional skills.

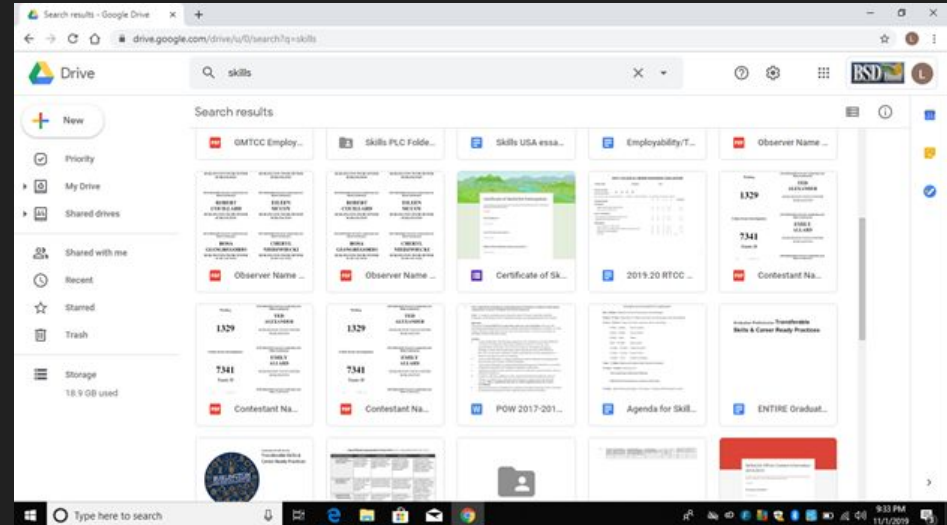

Creating A Filing System For The Future

- Reducing dependence on physical paper documentation
- Define categories that make sense for our organization and use sub folders
- Index files
 - name files in a clear, understandable way

Benefits

- Instant file retrieval
- Improved security
- Save paper & money
- Seamless yearly transition

Positive Social Media

Goal: To keep our members and Vermont community informed

1. **Weekly post and Friday Flash**
2. **Feature sponsors**
3. **Highlighting chapters**
4. **State officer recognition**
5. **Prompt community involvement**
